

## Enrolment Procedures

Priority of access to our school is given to Catholic children living within our catchment area as well as siblings of children already enrolled.

To obtain an Enrolment Application form, please contact the school office on 8390 5326.

Families will then attend an interview with the Principal and a tour of the school.

## School Profile

St Lawrence Catholic Primary School was opened in 2010. We belong to the Catholic parish of St Peter Chanel in Deer Park.

We have constructed Stage 1 of our building program. This stage consists of a state of the art Learning Centre and an administration building.

In the next 2 stages of our building program we will be adding another Learning Centre, a Library-Technology Centre and a Multi-purpose hall.

Our purpose is to provide Catholic education to the families living in the Brimbank Gardens, St Andrews Field and Central Park estates.

St Lawrence Catholic Primary School values the building of community. We have programs for students such as “Buddies”, Student Leaders, Peer Activity Leaders and “Mini Vinnies” to promote community development. We also encourage parent participation through Parents and Friends, School Masses, Parent Classroom Helpers and our weekly “Funtastic Friday” and school assembly.

We place a high emphasis on nurturing a Catholic perspective within a contemporary learning environment.

### Our Motto

Our school motto is *“Give, Love, Learn”*.

In the spirit of our patron, Saint Lawrence, we strive to develop within the school community an awareness of, and response to, social justice issues. We also strive to provide our students with a learning environment that will nurture their learning in all areas of the curriculum.

### Our Vision

- To foster life-long learning and a climate of high expectations for all learners.
- To build strong student-teacher relationships.
- To help students become responsible, safe and ethical community members.
- To implement contemporary approaches to teaching and learning.

### Learner-centred

We believe that putting the learner at the centre of all we do is our priority. Our curriculum, school design and teaching & learning programs are centred on achieving the best outcomes for the learner.

### Facilities and resources

We have equipped our learning spaces with contemporary learning tools. Each learning space has an interactive whiteboard and computers which are used extensively by staff and students.

### Programs

Our curriculum is derived from the Victorian Essential Learning Standards. We also teach Religious Education in line with the Melbourne Archdiocese ‘Coming to Know, Worship & Love’ program.

We have specialist Arts and Physical Education programs. Our senior students participate in camp and sports programs. In partnership with Brimbank Council, we promote active travel through the “Walking on Wednesdays” program.

As our school grows, we will continue to provide programs to meet the needs of our students.
